

# Offshore Supply Vessels

High Performance Coatings and Linings

# Outstanding Service. We've Got That Covered Too.

**Carboline has the most experienced and dedicated Marine team in the industry.**

A coating is only as good as the company that stands behind it. Carboline makes sure we have the right people and the right products... at the right locations.

- › Global distribution & service network
- › No waiting; products are there when you need them
- › Knowledgeable and helpful field service staff are there when you need them

Our commitment to superior service and technical support does more than get the job done, we get the job done right.

# Proven Products from an Industry Leader

Carboline is the leader in the protection of marine structures. Our comprehensive product line offers the right solutions on new construction and maintenance projects for these tough and demanding environments anywhere in the world. Our highly regarded products are fully tested, field-proven, and backed by a team of professionals focused on the needs of the marine industry.

## Demanding Environments Demand Superior Protection

**Carboline offers a complete line of coatings specifically designed for marine conditions.**

The high humidity and salt-laden atmosphere of the marine environment are extremely corrosive to steel surfaces. Carboline offers:

- › High-performance coatings that extend service life and repaint cycles
- › A complete line of products for all parts of your vessel; from topsides to the hull; and deck systems to linings
- › Coatings that are easy to maintain and recoat

## Cargo Linings

### Plasite 9060

High-performance chemical resistant lining

### Phenoline TankShield

Versatile lining for fuel or water storage

## Topsides

### Carbozinc 808

Zinc-rich primer offers outstanding corrosion protection for all steel surfaces

### Carboguard 635 VOC or 890

Surface tolerant epoxy with excellent water barrier protection

### Carbothane 134 HG

High-grade, high-gloss urethane finish with long-lasting gloss and color retention

## Insulative Coatings

### Carbotherm 3300 or 551

Insulative coating keeps wheelhouse cool in summer and warm in winter

## Deck Systems

### Carboguard 868/869 Non-Skid

Non-skid epoxies provide excellent slip resistance for wet/oily work areas

High-profile and non-sparking aggregate available

## Potable Water

### Carboguard 635 Carboguard 61

Epoxy linings for potable water service

## Ballast Tanks

### Carboguard 635 VOC Carbomastic 18 BT

IMO-approved linings outstanding for ballast tanks and void spaces

## Hull Coatings

### Carboguard 890 Carboguard 635 VOC

Anti-corrosive hull coatings

### C-Flex 45

Extended life antifoulant
